LONG STAYS AT SÃO LOURENÇO DO BARROCAL

Now that the colder months are approaching and we're already yearning for the warmth of wool blankets and the scent of a cosy fireplace, why not choose to spend the winter months at Barrocal? Bring your family and, in the spacious comfort of our cottages, work while enjoying the view to the Alentejo landscape, and your children discover what it is like to live this season in the countryside. And rest, too, amid the vast beauty of the olive trees and the 'barrocais', far from the bustle of the city.
